ABATE of ARKANSAS

ARKANSAS BIKERS AIMING TOWARDS EDUCATION

The main purpose of the ABATE organization is to work toward continued freedom of the road by insuring that motorcyclist's point of view is presented to our legislators and to promote motorcycle safety, rider education and public awareness. We are trying to alleviate the very real possibility of "Big Brother Government". We encourage all our members to be informed registered voters. We write letters to our elected officials and stay aware of what is going on with motorcycle legislation, and other transportation issues. We welcome interested parties to any of our activities or to join our organization.

CHECK TWICE - SAVE A LIFE **MOTORCYCLES ARE EVERYWHERE!!!**

Common causes of motor vehicle vs. motorcycle accidents include:

MAKING LEFT TURNS - Before turning **LEFT, CHECK TWICE** to ensure no motorcycle is coming. You're conditioned to look for cars and trucks, and it is easy to 'overlook' an oncoming motorcycle if you're not looking for one.

PULLING OUT - Before pulling out from a parked position, **CHECK TWICE** by turning your head and **LOOKING** for oncoming motorcycles. Motorcycles need more room and space to stop suddenly than a car or truck.

CHANGING LANES - Motorcycles can easily fit in the blind spots of your mirrors. Put your blinker on and **CHECK TWICE**, turn your head to **LOOK** to ensure there is no motorcycle in your blind spot!

SHARING A LANE - Don't share a traffic lane with a motorcycle. Even though a motorcycle is smaller than a car or truck, they are entitled to their entire lane.

DON'T FOLLOW TOO CLOSE behind a motorcycle - a motorcycle needs more room than a car or truck to stop. Keep a good distance behind a motorcycle, leaving enough room for you to stop.

Help reduce accidents and injuries . . .

CHECK TWICE - SAVE A LIFE **MOTORCYCLES ARE EVERYWHERE!!!**

Monthly Saturday Dinner Ride

Location and time determined at monthly meetings.

Form our past ride and stopped at the Bulldog restaurant

Colder weather is finally upon us! These cool mornings are a nice break from the heat! Get out there if you're able and enjoy the outdoors. You know, in Arkansas, we go from fall to winter in about a day!! I retired recently, so I have been burning up the roads, celebrating and chapter in life. I've taken a few great trips recently to Orange Beach, AL., for a week. Just got back from a cruise and went to Mt. View for the MMM event for a few days. I saw a few members and former members, and I enjoyed catching up with them. They moved the date hoping for cooler weather, but unfortunately that didn't happen this year; it was still about 100 degrees. Maybe next year it will be cooler. Other than our monthly dinner ride, D-13 hasn't done much in the way of events. Looking forward to our JFK park camping event, do some trout fishing, eat some good food. I know I say this often, but I do appreciate all that come out for the dinner ride and monthly meetings. By the time you read this, "all 10 of you" LOL! We would have had our last State ABATE meeting of 2026. Hope you can join us in 2027. Also, officer nominations are in November for each district. I know it's not easy sometimes running for office or accepting a nomination, but please step up and do it for your district and State ABATE. Bobby, D-13 President & ABATE SGT at ARMS

Fact of the Month: Neptune has 4 seasons, but each season lasts 40 Earth years. That would really "suck" in the wintertime!! And I thought 6 months of darkness in Alaska was bad!!
